"**39-71-401. Employments covered and employments exempted.** (1) Except as provided in subsection (2), the Workers' Compensation Act applies to all employers, as defined in 39-71-117, and to all employees, as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Each employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows an election, the Workers' Compensation Act does not apply to any of the following employments:

(a) household and domestic employment;

(b) casual employment as defined in 39-71-116;

(c) employment of a dependent member of an employer's family for whom an exemption may be claimed by the employer under the federal Internal Revenue Code;

(d) employment of sole proprietors, working members of a partnership, or working members of a member-managed limited liability company, except as provided in subsection (3);

(e) employment of a broker or salesman performing under a license issued by the board of realty regulation;

(f) employment of a direct seller as defined in 26 U.S.C. 3508;

(g) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;

(h) employment of a person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;

(i) employment with a railroad engaged in interstate commerce, except that railroad construction work is included in and subject to the provisions of this chapter;

(j) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district;

(k) employment of a person performing services as a newspaper carrier or free-lance correspondent if the person performing the services or a parent or guardian of the person performing the services in the case of a minor has acknowledged in writing that the person performing the services and the services are not covered. As used in this subsection, "free-lance correspondent" is a person who submits articles or photographs for publication and is paid by the article or by the photograph. As used in this subsection, "newspaper carrier":

(i) is a person who provides a newspaper with the service of delivering newspapers singly or in bundles; but

(ii) does not include an employee of the paper who, incidentally to the employee's main duties, carries or delivers papers.

(l) cosmetologist's services and barber's services as defined in 39-51-204(1)(l);

(m) a person who is employed by an enrolled tribal member or an association, business, corporation, or other entity that is at least 51% owned by an enrolled tribal member or members, whose business is conducted solely within the exterior boundaries of an Indian reservation;

(n) employment of a jockey performing under a license issued by the board of horseracing from the time the jockey reports to the scale room prior to a race through the time the jockey is weighed out after a race if the jockey has acknowledged in writing, as a condition of licensing by the board of horseracing, that the jockey is not covered under the Workers' Compensation Act while performing services as a jockey;

(o) employment of an employer's spouse for whom an exemption based on marital status may be claimed by the employer under 26 U.S.C. 7703;

(p) a person who performs services as a petroleum land professional. As used in this subsection, a "petroleum land professional" is a person who:

(i) is engaged primarily in negotiating for the acquisition or divestiture of mineral rights or in negotiating a business agreement for the exploration or development of minerals;

(ii) is paid for services that are directly related to the completion of a contracted specific task rather than on an hourly wage basis; and

(iii) performs all services as an independent contractor pursuant to a written contract.

(q) an officer of a quasi-public or a private corporation or manager of a manager-managed limited liability company who qualifies under one or more of the following provisions:

(i) the officer or manager is engaged in the ordinary duties of a worker for the corporation or the limited liability company and does not receive any pay from the corporation or the limited liability company for performance of the duties;

(ii) the officer or manager is engaged primarily in household employment for the corporation or the limited liability company;

(iii) the officer or manager owns 20% or more of the number of shares of stock in the corporation or owns 20% or more of the limited liability company; or

(iv) the officer or manager is the spouse, child, adopted child, stepchild, mother, father, son-in-law, daughter-in-law, nephew, niece, brother, or sister of a corporate officer who owns 20% or more of the number of shares of stock in the corporation or who owns 20% or more of the limited liability company.

(3) (a) A sole proprietor, a working member of a partnership, or a working member of a member-managed limited liability company who represents to the public that the person is an independent contractor shall elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3 but may apply to the department for an exemption from the Workers' Compensation Act.

(b) The application must be made in accordance with the rules adopted by the department. There is ~~no~~ a $25 fee for the initial application. Any subsequent application renewal must be accompanied by a $25 application fee. The application fee must be deposited in the administration fund established in 39-71-201 to offset the costs of administering the program.

(c) When an application is approved by the department, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(d) The exemption, if approved, remains in effect for ~~1 year~~ 3 years following the date of the department's approval. To maintain the independent contractor status, an independent contractor shall ~~annually~~ every 3 years submit a renewal application. A renewal application must be submitted for all independent contractor exemptions approved as of July 1, 1995, or thereafter. The renewal application and the $25 renewal application fee must be received by the department at least 30 days prior to the anniversary date of the previously approved exemption.

(e) A person who makes a false statement or misrepresentation concerning that person's status as an exempt independent contractor is subject to a civil penalty of $1,000. The department may impose the penalty for each false statement or misrepresentation. The penalty must be paid to the uninsured

employers' fund. The lien provisions of 39-71-506 apply to the penalty imposed by this section.

(f) If the department denies the application for exemption, the applicant may contest the denial by petitioning for review of the decision by an appeals referee in the manner provided for in 39-51-1109. An applicant dissatisfied with the decision of the appeals referee may appeal the decision in accordance with the procedure established in 39-51-2403 and 39-51-2404.

(4) (a) A corporation or a manager-managed limited liability company shall provide coverage for its employees under the provisions of compensation plan No. 1, 2, or 3. A quasi-public corporation, a private corporation, or a manager-managed limited liability company may elect coverage for its corporate officers or managers, who are otherwise exempt under subsection (2), by giving a written notice in the following manner:

(i) if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company; or

(ii) if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company and to the insurer.

(b) If the employer changes plans or insurers, the employer's previous election is not effective and the employer shall again serve notice to its insurer and to its board of directors or the management organization of the manager-managed limited liability company if the employer elects to be bound.

(5) The appointment or election of an employee as an officer of a corporation, a partner in a partnership, or a member in or a manager of a limited liability company for the purpose of exempting the employee from coverage under this chapter does not entitle the officer, partner, member, or manager to exemption from coverage.

(6) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of workers' compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over the place of business or property for the purpose of carrying on the employer's usual trade, business, or occupation. The sign must be provided by the department, distributed through insurers or directly by the department, and posted by employers in accordance with rules adopted by the department. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a $50 fine for each citation.""

Insert: "**Section 5.** Section 41-5-523, MCA, is amended to read:

"**41-5-523. Disposition — sentence to correctional facility — commitment to department — placement and evaluation of youth — restrictions.** (1) If a youth is found to be a delinquent youth or a youth in need of supervision, the youth court may enter its judgment making one or more of the following dispositions:

(a) retain jurisdiction in a disposition provided under subsection (1)(b) or (1)(d);

(b) place the youth on probation;

(c) subject to subsections (1)(n)(i), (2)(a), (2)(b), and (6), sentence a youth to one of the state youth correctional facilities established under 52-5-101 and, as part of the sentence, deny the youth eligibility for release without the express approval of the sentencing judge until the youth reaches 18 years of age. A youth may not be sentenced to a state youth correctional facility unless the department informs the judge that space is available for the youth at that facility. The sentencing judge may not place limitations on the release unless recommended by the youth placement committee.

(d) require a youth found to be delinquent to register as a sex offender pursuant to 46-18-254 and 46-23-506;

(e) place the youth in an in-state residence that ensures that the youth is accountable, provides for rehabilitation, and protects the public. Before placement, the sentencing judge shall seek and consider placement recommendations from the youth placement committee. The judge may not place the youth in an in-state residence unless the department informs the judge that resources are available for placement of the youth at that residence.

(f) commit the youth to the department. In an order committing a youth to the department:

(i) the court shall determine whether continuation in the youth's own home would be contrary to the welfare of the youth and whether reasonable efforts have been made to prevent or eliminate the need for removal of the youth from the youth's home;

(ii) in the case of a delinquent youth who is determined by the court to be a serious juvenile offender, the judge may specify that the youth be placed in a state youth correctional facility if the judge finds that the placement is necessary for the protection of the public. The court may order the department to notify the court within 5 working days before the proposed release of a youth from a youth correctional facility. Once a youth is committed to the department for placement in a state youth correctional facility, the department is responsible for determining an appropriate date of release into an appropriate placement.

(g) order restitution by the youth or the youth's parents;

(h) impose a fine as authorized by law if the violation alleged would constitute a criminal offense if committed by an adult;

(i) require the performance of community service;

(j) require the youth, the youth's parents or guardians, or the persons having legal custody of the youth to receive counseling services;

(k) require the medical and psychological evaluation of the youth, the youth's parents or guardians, or the persons having legal custody of the youth;

(l) require the parents, guardians, or other persons having legal custody of the youth to furnish services the court may designate;

(m) order further care, treatment, evaluation, or relief that the court considers beneficial to the youth and the community and that does not obligate funding from the department for services outside the state of Montana without the department's approval, except that a youth may not be placed by a youth court in a residential treatment facility as defined in 50-5-101. Only the department may, pursuant to subsection (1)(f), place a youth in a residential treatment facility.

(n) commit the youth to a mental health facility if, based upon the testimony of a professional person as defined in 53-21-102, the court finds that the youth is seriously mentally ill as defined in 53-21-102. The youth is entitled to all rights provided by 53-21-114 through 53-21-119.

(i) A youth adjudicated mentally ill or seriously mentally ill as defined in 53-21-102 may not be committed or sentenced to a state youth correctional facility.

(ii) A youth adjudicated to be mentally ill or seriously mentally ill after placement in or sentencing to a state youth correctional facility must be moved to a more appropriate placement in response to the youth's mental health needs and consistent with the disposition alternatives available in 53-21-127.

(o) place the youth under home arrest as provided in Title 46, chapter 18, part 10.

(2) When a youth is committed to the department, the department shall determine the appropriate placement and rehabilitation program for the youth after considering the recommendations made under 41-5-527 by the youth placement committee. Placement is subject to the following limitations:

(a) A youth in need of supervision or adjudicated delinquent for commission of an act that would not be a criminal offense if committed by an adult may not be placed in a state youth correctional facility.

(b) A youth may not be held in a state youth correctional facility for a period of time in excess of the maximum period of imprisonment that could be

imposed on an adult convicted of the offense or offenses that brought the youth under the jurisdiction of the youth court. This section does not limit the power of the department to enter into an aftercare agreement with the youth pursuant to 52-5-126.

(c) A youth may not be placed in or transferred to a penal institution or other facility used for the execution of sentence of adults convicted of crimes.

(3) A youth placed in a state youth correctional facility or other facility or program operated by the department or who signs an aftercare agreement under 52-5-126 must be supervised by the department. A youth who is placed in any other placement by the department, the youth court, or the youth court's juvenile probation officer must be supervised by the probation officer of the youth court having jurisdiction over the youth under 41-5-205 whether or not the youth is committed to the department. Supervision by the youth probation officer includes but is not limited to:

(a) submitting information and documentation necessary for the person, committee, or team that is making the placement recommendation to determine an appropriate placement for the youth;

(b) securing approval for payment of special education costs from the youth's school district of residence or the office of public instruction, as required in Title 20, chapter 7, part 4;

(c) submitting an application to a facility in which the youth may be placed; and

(d) case management of the youth.

(4) The youth court may order a youth to receive a medical or psychological evaluation at any time prior to final disposition if the youth waives the youth's constitutional rights in the manner provided for in 41-5-303. The county determined by the court as the residence of the youth is responsible for the cost of the evaluation, except as provided in subsection (5). A county may contract with the department or other public or private agencies to obtain evaluation services ordered by the court.

(5) The youth court shall determine the financial ability of the youth's parents to pay the cost of an evaluation ordered by the court under subsection (4). If they are financially able, the court shall order the youth's parents to pay all or part of the cost of the evaluation.

(6) The youth court may not order placement or evaluation of a youth at a state youth correctional facility unless the youth is found to be a delinquent youth or is alleged to have committed an offense that is transferable to criminal court under 41-5-206.

(7) An evaluation of a youth may not be performed at the Montana state hospital unless the youth is transferred to the district court under 41-5-206~~, 41-5-208,~~ or 41-5-1105.

(8) An order of the court may be modified at any time. In the case of a youth committed to the department, an order pertaining to the youth may be modified only upon notice to the department and subsequent hearing.

(9) Whenever the court commits a youth to the department, it shall transmit with the dispositional judgment copies of medical reports, social history material, education records, and any other clinical, predisposition, or other reports and information pertinent to the care and treatment of the youth.

(10) If a youth is committed to the department, the court shall examine the financial ability of the youth's parents or guardians to pay a contribution covering all or part of the costs for the care, commitment, and treatment of the youth, including the costs of necessary medical, dental, and other health care.

(11) If the court determines that the youth's parents or guardians are financially able to pay a contribution as provided in subsection (10), the court shall order the youth's parents or guardians to pay an amount based on the uniform child support guidelines adopted by the department of public health and human services pursuant to 40-5-209.

(12) (a) Except as provided in subsection (12)(b), contributions ordered under this section and each modification of an existing order are enforceable by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 4. An order for contribution that is inconsistent with this section is nevertheless subject to withholding for the payment of the contribution without need for an amendment of the support order or for any further action by the court.

(b) A court-ordered exception from contributions under this section must be in writing and be included in the order. An exception from the immediate income withholding requirement may be granted if the court finds there is:

(i) good cause not to require immediate income withholding; or

(ii) an alternative arrangement between the department and the person who is ordered to pay contributions.

(c) A finding of good cause not to require immediate income withholding must, at a minimum, be based upon:

(i) a written determination and explanation by the court of the reasons why the implementation of immediate income withholding is not in the best interests of the youth; and

(ii) proof of timely payment of previously ordered support in cases involving modification of contributions ordered under this section.

(d) An alternative arrangement must:

(i) provide sufficient security to ensure compliance with the arrangement;

(ii) be in writing and be signed by a representative of the department and the person required to make contributions; and

(iii) if approved by the court, be entered into the record of the proceeding.

(13) Upon a showing of a change in the financial ability of the youth's parents or guardians to pay, the court may modify its order for the payment of contributions required under subsection (11).

(14) (a) If the court orders the payment of contributions under this section, the department shall apply to the department of public health and human services for support enforcement services pursuant to Title IV-D of the Social Security Act.

(b) The department of public health and human services may collect and enforce a contribution order under this section by any means available under law, including the remedies provided for in Title 40, chapter 5, parts 2 and 4.""

(a) agricultural land as defined in 15-7-202;

(b) nonproductive patented mining claims outside the limits of an incorporated city or town held by an owner for the ultimate purpose of developing the mineral interests on the property. For the purposes of this subsection (1)(b), the following provisions apply:

(i) The claim may not include any property that is used for residential purposes, recreational purposes as described in 70-16-301, or commercial purposes as defined in 15-1-101 or any property the surface of which is being used for other than mining purposes or <u>that</u> has a separate and independent value for other purposes.

(ii) Improvements to the property that would not disqualify the parcel are taxed as otherwise provided in this title, including that portion of the land upon which the improvements are located and that is reasonably required for the use of the improvements.

(iii) Nonproductive patented mining claim property must be valued as if the land were devoted to agricultural grazing use.

(c) parcels of land of 20 acres or more but less than 160 acres under one ownership that are not eligible for valuation, assessment, and taxation as agricultural land under 15-7-202(1). The land may not be devoted to a commercial or industrial purpose.

(3) The land described in subsection (1)(c) is valued at the productive capacity value of grazing land, at the average grade of grazing land, and the taxable value is computed by multiplying the value by seven times the taxable rate for agricultural land."

Section 6. Section 15-6-134, MCA, is amended to read:

"15-6-134. Class four property — description — taxable percentage. (1) Class four property includes:

(a) all land, except that specifically included in another class;

(b) all improvements, including trailers or mobile homes used as a residence, except those specifically included in another class;

For the purposes of this subsection (1)(c), net business income is gross income less ordinary operating expenses but before deducting depreciation or depletion allowance, or both.

(d) all golf courses, including land and improvements actually and necessarily used for that purpose, that consist of at least nine holes and not less than 3,000 lineal yards; and

(e) all improvements on land that is eligible for valuation, assessment, and taxation as agricultural land under 15-7-202, including 1 acre of real property beneath improvements on land described in 15-6-133(1)(c). The 1 acre must be valued at market value.

(2) Class four property is taxed as follows:

(a) Except as provided in 15-24-1402 or 15-24-1501, property described in subsections (1)(a), (1)(b), and (1)(e) is taxed at ~~3.86%~~ 2.78% of its market value.

(b) (i) Property qualifying under the property tax assistance program in subsection (1)(c) is taxed at ~~3.86%~~ 2.78% of its market value multiplied by a percentage figure based on income and determined from the following table:

Income Single Person	Income Married Couple Head of Household	Percentage Multiplier
$ 0 - $ 6,000	$ 0 -$ 8,000	20%
6,001 - 9,200	8,001 - 14,000	50%
9,201 - 15,000	14,001 - 20,000	70%

(ii) The income levels contained in the table in subsection (2)(b)(i) must be adjusted for inflation annually by the department of revenue. The adjustment to the income levels is determined by:

(A) multiplying the appropriate dollar amount from the table in subsection (2)(b)(i) by the ratio of the PCE for the second quarter of the year prior to the year of application to the PCE for the second quarter of 1995; and

(B) rounding the product thus obtained to the nearest whole dollar amount.

(iii) "PCE" means the implicit price deflator for personal consumption expenditures as published quarterly in the Survey of Current Business by the bureau of economic analysis of the U.S. department of commerce.

Section 7. Section 15-6-143, MCA, is amended to read:

"15-6-143. Class ten property — description — taxable percentage ~~— alternative classification~~. (1) Class ten property includes all forest lands as defined in 15-44-102.

~~(3) For taxable years beginning January 1, 1994, and thereafter, the taxable percentage rate "P" applicable to class ten property is 4%/B, where B is the certified statewide percentage increase to be determined by the department of revenue as provided in subsection (4). The taxable percentage rate "P" must be rounded downward to the nearest 0.01% and must be calculated by the department before July 1, 1994.~~

(4) (a) Prior to July 1, 1994, the department shall determine the certified statewide percentage increase for class ten property using the formula B = X/Y, where:

(i) X is the appraised value, as of January 1, 1994, of all property in the state, excluding use changes occurring during the preceding year, classified under class ten as class ten is described in this section; and

(ii) Y is the appraised value, as of January 1, 1993, of all property in the state that would be classified under class ten as class ten is described in this section as this section reads in 1993.

(b) B must be rounded downward to the nearest 0.0001%."

"**30-10-305. Injunctions and other remedies — limitations on actions.** (1) If it appears to the commissioner that any person has engaged or

is about to engage in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order under this chapter, the commissioner may:

(a) issue an order directing the person to cease and desist from continuing the act or practice after reasonable notice and opportunity for a hearing. The commissioner may issue a temporary order pending the hearing that:

(i) remains in effect until 10 days after the hearing examiner issues proposed findings of fact and conclusions of law and a proposed order; or

(ii) becomes final if the person to whom notice is addressed does not request a hearing within 15 days after receipt of the notice; or

(b) without the issuance of a cease and desist order, bring an action in any court of competent jurisdiction to enjoin any acts or practices and to enforce compliance with parts 1 through 3 of this chapter or any rule or order under this chapter. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus must be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond. If the commissioner prevails, the commissioner is entitled to reasonable attorneys' fees as fixed by the court.

(2) A final judgment or decree, criminal or civil, determining that a person has violated parts 1 through 3 of this chapter in an action brought by the commissioner for the violation, other than a consent judgment or decree entered before trial, is prima facie evidence against that person in an action brought against the person under 30-10-307.

(3) The commissioner may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed ~~$5,000~~ $10,000 per violation upon a person found to have engaged in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order issued under parts 1 through 3 of this chapter. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any person fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of the person in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of the person to pay a fine also constitutes a forfeiture of the right to do business in this state under parts 1 through 3 of this chapter.

(4) (a) An administrative or civil action may not be maintained by the commissioner under this section to enforce a liability founded on a violation of 30-10-201(1) through (3) or 30-10-202 unless it is brought within 2 years after the violation occurs.

(b) An administrative or civil action may not be maintained by the commissioner under this section to enforce a liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued under this chapter, except 30-10-201(1) through (3) and 30-10-202, unless it is brought within 2 years after discovery by the commissioner or the commissioner's staff of the facts constituting the violation.

(c) An action may not be maintained under this section to enforce any liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued under this chapter unless it is brought within 5 years after the transaction on which the action is based."

Section 11. Section 30-10-306, MCA, is amended to read:

"**30-10-306. Criminal liabilities.** (1) Any person who willfully violates any provision of parts 1 through 3 of this chapter except 30-10-302, who willfully violates any rule or order under parts 1 through 3 of this chapter, or who willfully violates 30-10-302 knowing the statement made to be false or misleading in any material respect shall upon conviction be fined not more than ~~$5,000~~ $10,000 or imprisoned not more than 10 years, or both; however, in the event the person so convicted has been previously convicted of a felony in any way involving securities, imprisonment hereunder for not less than 1 year shall be mandatory. No indictment or information may be returned under parts 1 through 3 of this chapter more than 8 years after the alleged violation; however, the time limitation period may be extended allowing commencement of a prosecution within 1 year after the date the commissioner or other prosecuting officer becomes aware of the violation.

(2) The commissioner may refer such evidence as may be available concerning violations of parts 1 through 3 of this chapter or of any rule or order hereunder to the attorney general or the proper prosecuting attorney, who may in his discretion, with or without such a reference, institute the appropriate criminal proceedings under parts 1 through 3 of this chapter.

(3) Nothing in parts 1 through 3 of this chapter limits the power of the state to punish any person for any conduct which constitutes a crime.""
